DEDICATION

SAMUEL KURTZ
1946-1975

Mr. Kurtz touched the lives of many students with his understanding and trust. He always conveyed the knowledge of his subject with a firm yet considerate hand. His sudden death saddened us all. We will never forget this warm and dedicated human being.

DEVOTION

In the midst of turmoil
And constant changing times
We search for simple joys
For love and peace of mind
A light that shines eternal
A dream that never fades
The hope and inspiration
of good men strong and brave.

In the midst of sorrow
Where pain is commonplace
Where children stand bewildered
And men have lost their faith
A smile of reassurance
The touching of a hand
A love of life and beauty
God's gift to all free men.

Devotion is the river
That stretches far and wide
The bridge to our salvation
It touches all our lives
Devotion is the seedling
That sprouts into a tree
Its roots firmly embedded
In the souls of humanity.

... Devotion is the river that stretches far and wide
the bridge to our salvation, it touches all our lives ...

... Through devotion a man may find peace.
The wonders of the earth and the heavens
are within our reach ...

During our years at Arts, she has proven to be an indispensable asset to us in both professional and personal matters. She has inspired us to reach for the stars in all our endeavors. We shall always remember her with fondness.

SENIOR CLASS ADVISOR

Words cannot express the deep and sincere thanks the Class of 1976 owes to Miss Cardella. As class advisor, she backed us in many fund raising endeavors and gave us much needed advice when we needed it most. She took active interests in all our ideas and instilled within us a desire to never settle for anything but the best. We, the Graduating Class of 1976, shall strive to reach that goal in remembrance of her.

ACTIVITIES

SENIOR CLASS COUNCIL

This group is the backbone of our senior class. It consists of Miss Sandra Cardella, Advisor and officers Joyce Perry, Cheryl Morse, Deborah Frazier and Vickie Mack. In addition, there are representatives from each senior class. This council came up with fund raising ideas such as the "Mister Magic" contest, cake sales and fashion shows which helped tremendously to reduce the cost of the trip, yearbook and prom. The senior class cannot thank them enough for their hard work and devotion.

The Student Council continued to serve the student body by maintaining leadership qualities and representing the students at all times. Ms. Hollar-Gregory is the advisor and student leaders are Kevin Slater, Mayor and Cyndrell Parrish, Vice-President. A big highlight of the year was a 1950's day, when students dressed in '50's styles. A hop was held where the best dancer was chosen from among the many "teenyboppers".

STUDENT COUNCIL

HONOR SOCIETY

First row: Mrs. Venskus, Barbara Miller, Kim La Rue, Karen McManus, Geraline Smith. Second row: Sharon Fisher, Homer Gooden, Gary Harrell, Brenda Anthony and Ginger Dawson.

The Honor Society is made up of Juniors who have achieved a 3.5 average and Seniors who have achieved a 3.2 average. This organization, under the supervision of Mrs. Venskus, is in charge of the tutoring program at Arts, maintaining study hall facilities during lunch periods and collecting for charitable enterprises. Induction is held each May at very memorable and solemn candlelit ceremonies. It is a high honor to be a member of this fine organization. Congratulations to the members.

Under the guidance of Mr. Marcus, the Stage Crew is responsible for all auditorium related activities. The crew controls lighting, opens and closes curtains, and sets up the stage for musical and dramatic rehearsals and performances. Without the aid of this group, there would be no auditorium programs.

STAGE CREW

With Mr. Hazzard as advisor, the Junior Class Council has the task of trying to reduce some of the cost of the prom, graduation and the Senior Class Trip. This group has had various fund raising activities, such as a bake sale and a Mr. and Miss Arts High Contest. Student leaders of this group are Albert Harris, Clementine Potts, and Kari Jacob.

JR. CLASS COUNCIL

The Service Committee is a very necessary organization which helps out whenever necessary at school social functions. The members act as hosts and ushers, bringing an added warmth to the affairs. Alumnae Day, the P.T.A. Card Party, and the Winter and Spring Concerts are just some of the functions at which they give their unselfish assistance. Cyndrell Parrish is Chairman, Ruth Mobley is Co-Chairman, and Mrs. Venskus is Advisor.

SERVICE COMMITTEE

PEP SQUAD

Thanks to the energetic spirit of these young ladies, the basketball games and other competitive sports are even more full of life. They help the Cheerleaders and spectators give the teams that extra boost needed to win.

Under the leadership of Mr. Brasch and senior, Barbara Miller, the Science Club's purpose is to study all aspects of the sciences: Biology, Chemistry, and Physics. Their meetings include performing experiments in order to create useful objects and to learn more about being scientists. They are a very dedicated group.

SCIENCE CLUB

LAB CLUB ASSISTANTS

The lab assistants gain expertise in the handling and cleaning of chemical equipment through practical experience. They help to set up experiments, and clean up when completed. They perform experiments which are too dangerous, expensive or beyond the capability of the average student. This group also helps to maintain a running inventory of chemicals and equipment. This is a valuable learning experience and prepares the assistants for college and career.

First row: Mrs. Venskus, Karen Moses, Kim La Rue, Barbara Miller, Jacqueline Thomas, Valerie Drayton, Carol Moses and Geraline Smith. Second row: Mark Janifer, Tommy Cox, Deirdra Davis, Ginger Dawson, Jessica Nash, and Valerie Mitchell.

Headed by Derrick Lee, the Gospel Chorus inspires everyone who has the pleasure of hearing them perform. This vibrant group works to spiritually uplift the people in their presence. They have sung in many places during the year. The student body and faculty have had the opportunity to hear them at our annual Spring and Winter Concerts. The members of the chorus work very hard to make their group a success, and successful they have become!

GOSPEL CHORUS

The African Dance Company, under the guidance of Mrs. Tso and led by Harriet Mervin, has become well known and in demand throughout the city of Newark and in New Jersey. They have been placed in the category of semi-professionals, but exhibit the qualities and talents of professionals when they perform. This talented group of individuals shows the great beauty of African culture and heritage.

AFRICAN DANCE COMPANY

The Art Club is organized for two purposes. One is to give art students the opportunity to work in areas of special interest to them. The other is to learn commercial art techniques necessary to produce a top quality yearbook during their senior year. Membership is open to all students, art or music, who show a special interest or talent for these activities. This club is sponsored by Mr. Carden.

Front row, left to right: Ruth Mobley, Felicia Brown, Yvonne Jordan, Kinzy Earles
Back row: Leslie Bivins, Donald Williams, Marie Corpening, Howard Simpson, Sandra Rogers, Cheryl Lewis

ART CLUB

VARSITY CLUB

The Varsity Club is made up of male and female students who have earned a varsity letter in their sport. Advised by Mr. Cushnir and led by president, Lennie Avarett, the group's function is to perform athletic services to the school. The highlights of the year include the annual Sports Awards Dinner and a very enjoyable trip.

MAGAZINE STAFF

The Magazine Staff, headed by Mrs. Hansen of the art department was formed this year for the purpose of publishing a quality literary magazine. Many people have contributed short stories, poems and other articles for the magazine. There was a hardworking core of people who put it together. We hope that this becomes a regular organization in our school.

PHYSICAL FITNESS CLUB

The Physical Fitness Club helps those young men who want to maintain and achieve physical fitness. Headed by Mr. Hazzard, these men practice weight lifting, circuit training, and other body building necessities. The main event of the year is the Marine Physical Fitness Competition which is held in April.

The Future Physicians Club is composed of students interested in medical careers. The club, headed by Karen McManus, has been associated with several medical facilities and is presently connected with St. Michael's Hospital. The students who are in the club visit various medical establishments. Mrs. Venskus, the advisor of this group says that anyone interested in a medical career, either in the capacity of doctor, dentist, veterinarian or any other related field is welcome to join.

FUTURE PHYSICIANS CLUB

DRAMA CLUB

The Drama Club should be commended for its fine work and dedication. Advisor Mrs. Jacqueline Levinson, Purcell Smith, President, and Vice-President Leslie Bivins, work with this large group to put on plays and puppet shows. These increasingly skilled actors also do their own sets, props and lighting, learning all phases of the theatre. This has been one of the most successful dramatic groups the school has ever seen.

CHESS CLUB

This year Arts High's Chess Club, under the guidance of Mr. Piazza, is composed of a group of students interested in improving their game of chess.

CHOREOGRAPHY CLUB

This group of young ladies, under the leadership of Alexis Dunlap, meet and train for creative dancing. Their performance at the Winter Fair was greatly appreciated. Congratulations to "Dimensions of the Mind", the name by which these ladies wish to be remembered.

BAND

The Arts High Band continued its fine performance quality in the Winter and Spring Concerts. Under the direction of Mr. Marty Israel, they performed such works as "Variations on a Theme" by Haydn, and a fabulous rendition of "An Ellington Portrait" by Ellington and Werle for which they received a standing ovation.

GIRLS' GLEE CLUB

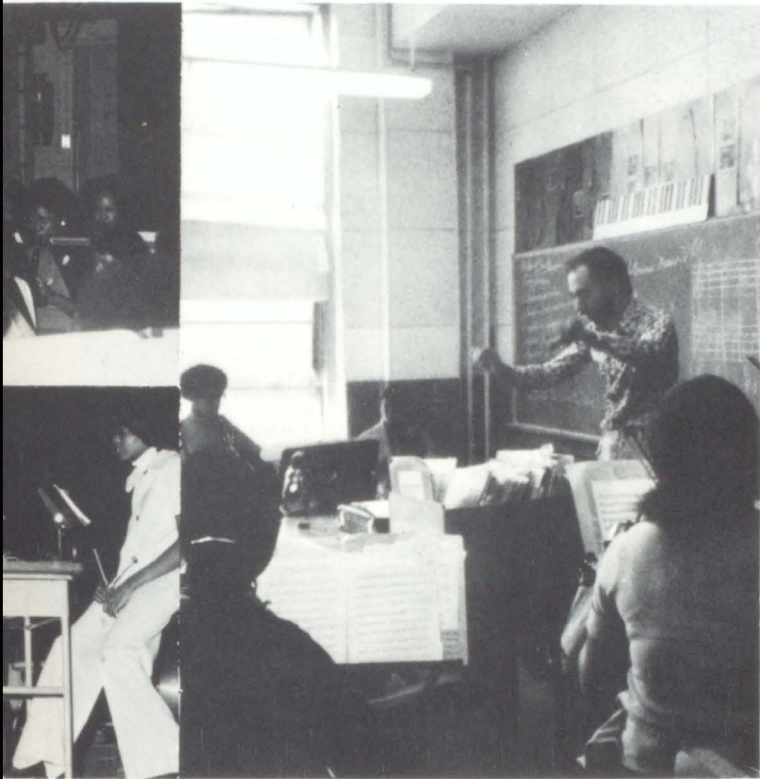

The Girls' Glee Club, headed by Mrs. Shapiro, prepares songs in three part harmony to be presented at our annual Winter and Spring Concerts. The young ladies performed such selections as "Let Us Break Bread Together", "Andalucia" and "Bridge Over Troubled Water". Any female with a good singing voice who is able to read music may join this club.

ORCHESTRA

Under the direction of Mr. Charles Klelis, the Orchestra has continued its musical growth. Whether playing a piece by Vivaldi or Handel or a piece of contemporary music, the Orchestra never waivers in its performance. We look forward to hearing them in assemblies and in our annual concerts.

CHORUS

The Arts High Chorus has continued to show its excellence and high quality in performances. Under the able leadership of Mr. Robert Howard, the attributes of perseverance and diligence have been instilled. Out of the more than 300 members of the Chorus, 80 members are chosen for the Concert Choir. They were selected to represent the state at the Bicentennial Celebration in Washington. Our pride in their accomplishment is beyond words.

VIGNETTE STAFF

The Vignette Staff is headed by Ginger Dawson, Editor and Mr. Jan Carden, Advisor. The staff is composed of a group of seniors who worked very hard to produce a quality yearbook that reflects the mood of the people at Arts, particularly that of the seniors.

If awards were given to individuals for outstanding help and guidance, Mr. Carden would certainly receive one. His diligence and enthusiastic efforts helped us to produce a yearbook of quality and excellence. We, the members of the Vignette Staff, offer our humble thanks.

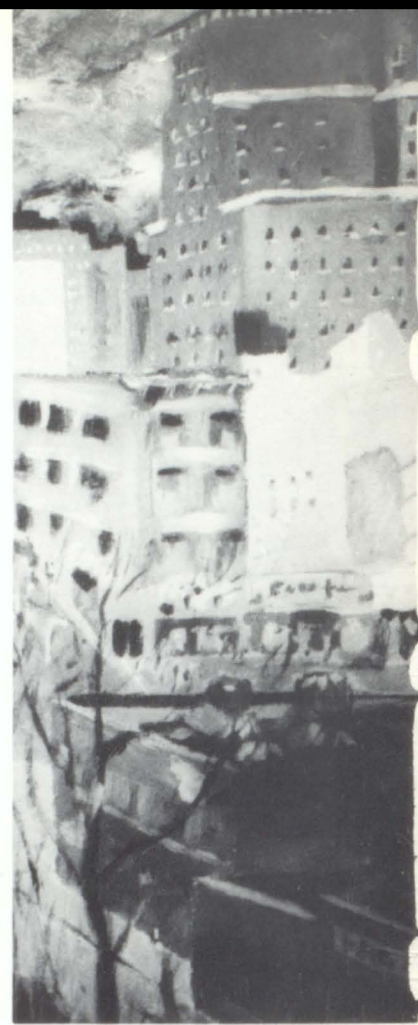

The school year 1975-76 was filled with exciting activities. There was the annual Winter Fair, where student-made pieces of art were displayed and sold. The seniors sponsored the most successful fund raising event in the school's history. It was a fashion show excellently directed by Pamela Riley and Derrick Lee. The poise and skill displayed by the models was extraordinary. A second show was scheduled. Underclassmen also were honored with awards from the National Conference of Christians and Jews. Ernest Jones, Juanita Rodriguez and Valarie Davis won awards in their poster contest. The Student Council sponsored 50's day was memorable event.

They were led by captain Leonard Averett, and leaders Percell Smith, Donald Jordan and Dwight Davis. Coach Marcus was also a driving force. The J.V. Team did especially well this year. The team practices and competes in Branch Brook Park during the months of September, October and November.

The Arts High Soccer Team finished the season with an overall record of 6-7-1 and finished third in the City League with a 5-2 record. Outstanding participants were goalie, Ray Alvarez and halfback Eric Hill. Arts was the only team in the city to score on East Side, the city champs. They defeated Barringer, and West Side and played Clifford Scott to a 2-2 tie. All told, it was a good season considering the strong schedule.

highest levels ever. They first exhibited their skills at the annual Pep Rally held before the first basketball game. These young ladies worked very hard and helped to raise the morale of both players and spectators.

Arts High's Basketball Team, coached by Mr. Alamo, had a disappointing season this year with a record of 6-12. The Swimming Team had a fantastic season, finishing third in the city! Under the supervision of Mr. Landers, they had a record of five wins and three losses. Anthony Clark was second in the city in the 100 yard backstroke. The medley relay team also finished second with Harold Showers, Jerard Dickinson, Anthony Clark and Albert Harris participating. The Swimming Team is truly to be congratulated for the fine work they did.

Front: Pat Thomas. Second row: Albert Harris, Anthony Clark, Keith Morrison, Gabrielle McLemore. Rear: Wayne Harris, Harold Showers, Brian Morrison, Luis Velez, Jerard Dickinson, Coach Landers, and Maurice Foster.

Spring 1975 was a disappointing season for the Arts High Baseball Team despite the best efforts of ace players Ray Alvarez and Mark Janifer. Despite the disappointments, Arts was able to take fourth place in the Vo-Tech League. Coach Cushnir, backed by all of Arts, anticipates a strong comeback in 1976.

BASEBALL TEAM

Sitting left to right: Vanessa Fore; Kathy Jacob, Gwen Austin and Beverly Gibson. Second row: Phyllis Martin, Diane Phillips and Robin Johnson. Standing: Coach — Mr. Cushnir, Kari Jacob, Rose-na Chislom and Valerie Allen. Not pictured: Ginger Dawson and Naydene Brickus.

This was the first season for the newly developed Arts High Girls' Softball Team and they were great! Thanks to near-perfect pitching by Phyllis Martin, crazy catches by first baseman Vanessa Fore, brilliant back-up work by second baseman Gwen Austin and great team work from the other girls, Arts High was able to defeat the previously undefeated West Side with the score 11-7. Coach Cushnir is very proud and anticipates an even better season next year.

GIRLS' SOFTBALL TEAM

The speedy Jaguars were led by Team Captain Gary Harrell, who along with fellow hurdler Dwight Davis did an outstanding job. Keith Towe, Darryl Sumter, Tommy Cox and Homer Gooden handled the sprints and the distance runs were controlled by Don Jordan and Lenny Averett. Arts finished 5th in the Vo-Tech League.

Under the supervision of student leaders Gary Harrell, Donald Jordan, Dwight Davis, and Coach Jerome Marcus, the Arts High Indoor Track Team had a very successful year. Outstanding participants were Gary Harrell and Dwight Davis in the 60 High Hurdles; Tommy Cox, Homer Gooden, and Norman Haynes in the 60 Yard Dash; Norman Haynes in the 440; and Donald Jordan in the 880. The Track Team is very determined and hard working.

TENNIS TEAM

During the spring season of 1975, the Tennis Team members were not as successful in their matches as they would have liked to be. They had a season record of 2-14. This record can be improved if more talented tennis players would try out for the team. We wish them the best of luck next season. Mr. Dessasau is the coach.

Harriet Mervin

Mark Janifer

The Bowling Team is a very dedicated and hard working team. Mark Janifer and Harriet Mervin are to be congratulated for their tremendous records. They participated in the State Tournament at Bell Clair Lanes in Montclair where they encountered some of the best bowlers in the state. Practices are held at Lyons Lanes and every student may try out. Mr. Cushnir is the hardworking coach.
